

Shaker Ridge Youth Program 2020 Health and Safety Plan

The following safety plan will be implemented in accordance with the government regulations for the safety and well-being of all the children to have a safe and fun summer!

Once groups are created they will stay the same throughout the entirety of the day and through the end of the program in order to limit the amount of people the campers come in contact with. Groups will be limited to 10 children or less. All children and staff members will go through hygiene routines at the beginning of the program, in between each activity, following restroom use and following the last activity. In addition, a log will be maintained of every person on site of the youth program for drop off and pick up.

All staff will be required to wear masks. Staff will also be trained in hygiene routines for the program. All staff will be asked to stay home if they have any symptoms of COVID-19, have tested positive in the last 14 days, or had close or proximate contact with confirmed or suspected a COVID-19 case in the last 14 days. All staff will also go through a health screening upon arrival.

All children will be required to bring a mask. If you forget your child's mask, there will be masks available for them to use.

If there is a chance of rain/thunderstorms the youth program may get cancelled for the day. Shaker Ridge is not set up to maintain social distancing during the youth program indoors. Therefore, all parents/guardians, who have provided their email, will be notified either the day before camp or by 7am the day of camp.

If a parent/guardian/child has tested positive or exhibited any of the symptoms of COVID-19 within the last 14 days, you MAY NOT enter the premises. If this is the parent/guardian tested positive or exhibits symptoms you may not pick up your children. In which case, the other caregivers on the youth program application or the emergency contact will need to pick-up the child. In addition, if any member of the household of the children has tested positive or exhibits symptoms of COVID-19, the child may not attend the youth program until the quarantine of the person is over.

The youth program has been adjusted to 9-12. Lunch has been eliminated for the 2020 youth program.

Check-in:

- Masks must be worn by every parent/guardian and child upon arrival.

- Every parent will be required to answer the following questions upon arrival;
 - Have you had any of the following symptoms in the last 14 days
 - fever/chills, cough, shortness of breath or difficulty breathing, fatigue, muscle aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea
 - Have you tested positive for COVID-19 in the past 14 days?
 - Have you had close or proximate contact with a confirmed or suspected COVID-19 case in the past 14 days?
- Parents/guardians will be required to answer these question for themselves and their children
- Temperature will also be taken of every child upon arrival
- Following check-in, we ask that your child find a designated marked spot to sit on while we wait for camp to commence. This is for your child's safety. Thank you in advance for your cooperation.

Camp Activities:

Pool -

- This is an opportunity for kids to dive on in and learn how to swim. Lessons will be provided by our lifeguards.
- Swimming activities will continue with no masks. However social distancing will be maintained in and around the pool. Cleaning/disinfection protocols for the pool will also be in place.

Golf -

- Golf lessons will be provided by our professional staff. Lessons will teach the child how to display proper etiquette, sportsmanship and become familiar with the rules of golf.
- Masks will be required to wear during all golf activities. Golf activities will continue as in previous years with group instruction on the driving range and putting green.

Playground -

- We are incorporating new and fun activities to participate in. There will be a craft and activity every day at the playground station.
- Masks will be required to be readily available for all playground activities. Structured activities will be implemented to ensure that social distancing will be maintained, in which case children's masks may be removed upon counselor instruction.

Check-out

- All parents/guardians will be required to wear a mask for pick-up
- Children will be waiting in a designated area marked in accordance with social distancing protocol.

No lunch - no lunch service will be offered during the youth program.

All of these modifications are being put in place for the safety and well being of your children. Thank you in advance for your cooperation and patience as we work to implement all of the safety measures. If you have any questions please reach out to me, Ellis Smith at ellissmith212@gmail.com. We hope to have a fun summer that your child will enjoy!
